

Our energy saving policy

By following these basic principles we can all work together to make a huge difference

Do <u>daily checks</u> for defects on equipment and report any problems straight away

Do not run taps for <u>longer than</u> <u>neccessary</u> and ensure they are maintained

SAVINGS.

Only use the dishwasher if it is <u>full</u>

<u>Fill</u> your ovens and steamers to maximise the energy use

Turn off equipment <u>right after it</u> <u>is used</u>

Switch lights off <u>when not</u> <u>required</u>

ON OFF SAVE ELECTRICITY

SAVE ENERGY
